September 2, 2020

Dear Parents,

We have all heard about Coronavirus burnout and pandemic fatigue. We have also witnessed the surge of the cases due to Memorial Day weekend BBQ and July 4th parties. While we understand it's hard to stick to Coronavirus precautions, let's not forget this virus is highly contagious and can have serious consequences. Since the Coronavirus pandemic is not going away anytime soon and the vaccine is still months away, we are pleading with you to keep our school community safe by making a commitment to continue to do the following, especially over this upcoming Labor Day weekend:

1. Keep social distance
2. Wear a mask
3. Frequently wash hands

We are an extended family at school and want to look out for each other to help each other stay safe everyday, and especially Labor Day long weekend. We thank you very much for your continued support!

On a brighter note, our teachers are going above and beyond to host our very first **"Virtual Family Fun Night"** on their personal time via Zoom. We need all the help we can get! If you are interested in hosting a fun game, please contact your child's teacher. Our goal is for everyone to see each other without masks, to make some friends, and to have some laughs. Please see the attached flier for information. Your child's teacher will email her event invitation link to you on 9/11 or 9/12. Please stay tuned. We look forward to having fun with you and your family on Saturday, September 12!

With sincerity,

Dr. Sueling Chen
Principal
